Governor's House is not on sale

The Bank of Uganda (BoU) has learnt of the misinformation about the purported sale of the Governor's residence, that is circulating electronically among the public.

This is to notify the public that BoU is not selling the residence of the Governor.

On Monday February 20, 2023, BoU published a bid notice, announcing the disposal of assets, that included: Plot 7-9 Elizabeth Avenue Kololo Kampala and Plot 41 Kampala Road Masaka. The asset in Kololo is an empty plot of land that is being disposed of and NOT the Governor's residence.

BoU invited bidders to inspect these assets in the period February 22, 2023 to March 14, 2023.

BoU appeals to the public to disregard the misinformation about the Governor's residence circulating electronically.
