- (a) the installation of the Supplies by the Provider or their use in Uganda or where the Site is located; and
 - (b) the sale in any country of the products produced by the Supplies.

Such indemnity shall not cover any use of the Supplies or any part thereof other than for the purpose indicated by or to be reasonably inferred from the Contract, neither any infringement resulting from the use of the Supplies or any part thereof, or any products produced thereby in association or combination with any other equipment, plant, or materials not supplied by the Provider, pursuant to the Contract.

- 30.2 If any proceedings are brought or any claim is made against Bank of Uganda arising out of the matters referred to in GCC Sub-Clause 30.1, Bank of Uganda shall promptly give the Provider a notice thereof, and the Provider may at its own expense and in the Procuring and Disposing Entity's name conduct such proceedings or claim and any negotiations for the settlement of any such proceedings or claim.
- 30.3 If the Provider fails to notify Bank of Uganda within twenty-eight (28) days after receipt of such notice that it intends to conduct any such proceedings or claim, then Bank of Uganda shall be free to conduct the same on its own behalf.
- 30.4 Bank of Uganda shall, at the Provider's request, afford all available assistance to the Provider in conducting such proceedings or claim, and shall be reimbursed by the Provider for all reasonable expenses incurred in so doing.

-

of or in connection with any design, data, drawing, specification, or other documents or materials provided or designed by or on behalf of the Procuring and Disposing Entity.

31. Limitation of Liability

Except in cases of gross negligence or wilful misconduct:

- (a) neither party shall be liable to the other party for any indirect or consequential loss or damage, loss of use, loss of production, or loss of profits or interest costs, provided that this exclusion shall not apply to any obligation of the Provider to pay liquidated damages to the Procuring and Disposing Entity; and
- (b) the aggregate liability of the Provider to the Procuring and Disposing Entity, whether under the Contract, in tort, or otherwise, shall not exceed the total contract value or such other amount specified in the SCC, provided that this limitation shall not apply to the cost of repairing or replacing defective equipment, or to any obligation of the Provider to indemnify Bank of Uganda with respect to patent infringement.

32. Change in Laws and Regulations

Unless otherwise specified in the Contract, if after the date of the Bidding Document, any law, regulation, ordinance, order or bylaw having the force of law is enacted, promulgated, abrogated, or changed in Uganda or where the Site is located (which shall be deemed to include any change in interpretation or application by the competent authorities) that subsequently affects the Delivery Date and/or the Contract Price, then such Delivery Date and/or Contract Price shall be correspondingly increased or decreased, to the extent that the Provider has thereby been affected in the performance of any of its obligations under the Contract. Notwithstanding the foregoing, such additional or reduced cost shall not be separately paid or credited if the same has already been accounted for in the price adjustment provisions where applicable, in accordance with GCC Clause 15.

33. Force Majeure

- 33.1 The Provider shall not be liable for forfeiture of its Performance Security, liquidated damages, or termination for default if and to the extent that its delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure.
- 33.2 For purposes of this Clause, "Force Majeure" means an event or situation beyond the control of the Provider that is not foreseeable, is unavoidable, and its origin is not due to negligence or lack of care on the part of the Provider. Such events may include, but not be limited to, acts of the Government of Uganda in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions, and freight embargoes.
- 33.3 If a Force Majeure situation arises, the Provider shall promptly notify Bank of Uganda in writing of such condition and the cause thereof. Unless otherwise directed by Bank of Uganda in writing, the Provider shall continue to perform its obligations under the Contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.

 - (b) the method of shipment or packing;
 - (c) the place of delivery; and

- (d) the Related Services to be provided by the Provider.
- 34.2 If any such change causes an increase or decrease in the cost of, or the time required for, the Provider's performance of any provisions under the Contract, an equitable adjustment shall be made in the Contract Price or in the Delivery/Completion Schedule, or both, and the Contract shall accordingly be amended. Any claims by the Provider for adjustment under this Clause must be asserted within twenty-eight (28) days from the date of the Provider's receipt of the Procuring and Disposing Entity's change order.
- 34.3 Prices to be charged by the Provider for any Related Services that might be needed but which were not included in the Contract shall be agreed upon in advance by the parties and shall not exceed the prevailing rates charged to other parties by the Provider for similar services.

35. Extensions of Time

- 35.1 If at any time during performance of the Contract, the Provider or its subcontractors should encounter conditions impeding timely delivery of the Supplies or completion of Related Services pursuant to GCC Clause 12, the Provider shall promptly notify Bank of Uganda in writing of the delay, its likely duration, and its cause. As soon as practicable after receipt of the Provider's notice, Bank of Uganda shall evaluate the situation and may at its discretion extend the Provider's time for performance, in which case the extension shall be ratified by the parties by amendment of the Contract.
- 35.2 Except in case of Force Majeure, as provided under GCC Clause 33, a delay by the Provider in the performance of its Delivery and Completion obligations shall render the Provider liable to the imposition of liquidated damages pursuant to GCC Clause 28, unless an extension of time is agreed upon, pursuant to GCC Sub-Clause 35.1.

36. Termination

- 36.1 Bank of Uganda may, by not less than thirty days written notice of termination to the Provider (except in the event listed in paragraph (f) below, for which there shall be a written notice of not less than sixty days), such notice to be given after the occurrence of any of the events specified in GCC Clause 36.1 (a) to (g), terminate the Contract if:

-

Clause 36.2 (a) to (d) terminate the Contract if:

- (a) Bank of Uganda is in material breach of its obligations pursuant to the Contract and has not remedied the same within thirty days (or such longer period as the Provider may have subsequently approved in writing) following the receipt by Bank of Uganda of the Provider's notice specifying such breach;
- (b) the Provider is unable as the result of Force Majeure, to perform a material portion of the Services for a period of not less than sixty days; or
- (c) Bank of Uganda fails to comply with any final decision reached as a result of arbitration pursuant to GCC Clause 10.2 hereof.

36.3 If either Party disputes whether an event specified GCC Clauses 36.1 or GCC Clause 36.2 has occurred, such Party may, within thirty days after receipt of notice of termination from the other Party, refer the matter to arbitration pursuant to GCC Clause 10.2 and the Contract shall not be terminated on account of such event except in accordance with the terms of any resulting arbitral award.
