E. Evaluation of Bids

Confidentiality

26.1 A procuring and disposing entity shall not disclose to a bidder or to any other person who is not involved in the preparation of the solicitation documents, the evaluation process or the award decision, any information relating to-

- (a) solicitation documents, before the solicitation documents are officially issued;
- (b) the examination, clarification, evaluation and comparison of bids before the best evaluated bidder notice is displayed on the procurement and disposal notice board of the Bank.

Clarification of Bids

27.1 To assist in the examination, evaluation, comparison and post-qualification of the bids, Bank of Uganda may, at its discretion, ask any Bidder for a clarification of its bid. Any clarification submitted by a Bidder that is not in response to a request by Bank of Uganda shall not be considered. The Bank's request for clarification and the

Part 1: Section 3 Evaluation Methodology and Criteria

response shall be in writing. The request for clarification shall be copied to all bidders for information purposes. No change in the price or substance of the bid shall be sought, offered, or permitted, except to confirm the correction of arithmetic errors discovered by Bank of Uganda in the evaluation of the financial bids, in accordance with ITB Clause 29.4.

Compliance and Responsiveness of Bids

- 28.1 The Bank's determination of a bid's compliance and responsiveness is to be based on the contents of the bid itself.
- 28.2 A substantially compliant and responsive bid is one that conforms to all the terms, conditions, and requirements of the Bidding Document without material deviation, reservation, or omission. A material deviation, reservation, or omission is one that:
- (a) affects in a substantial way, the scope or quality of the supplies or services or the performance of the works to be procured;
 - (b) is inconsistent with the bidding document and which may in a substantial way, limit the rights of Bank of Uganda or the obligations of the bidder under the contract;
 - (c) if corrected would unfairly affect the competitive position of the other bidders whose bids are administratively compliant and responsive; or
 - (d) impacts the key factors of a procurement including cost, risk, time and quality and causes -

 - (ii) unacceptable alternative technical details, such as design, materials, workmanship, specifications, standards or methodologies; or
 - (iii) unacceptable counter-bids with respect to key contract terms and conditions, such as payment terms, price adjustment, liquidated damages, sub-contracting or warranty.
- 28.3 If a bid is not substantially compliant and responsive to the Bidding Document, it shall be rejected by Bank of Uganda and may not subsequently be made compliant and responsive by the Bidder by correction of the material deviation, reservation, or omission.

Nonconformities, Errors, and Omissions

- 29.1 Provided that a bid is substantially compliant and responsive, Bank of Uganda may waive any non-conformity or omission in the bid that does not constitute a material deviation.
- 29.2 Provided that a bid is substantially compliant and responsive, Bank of Uganda may request that the Bidder submit the necessary information or documentation, within a reasonable period of time, to rectify nonmaterial nonconformities or omissions in the bid related to documentation requirements. Such omission shall not be related to any aspect of the price of the bid. Failure of the Bidder to comply with the request may result in the rejection of its bid.
- 29.3 Provided that a bid is substantially compliant and responsive, Bank of Uganda shall rectify nonmaterial nonconformities or omissions. To this effect, the bid price shall be adjusted, for comparison purposes only, to reflect the price of the missing or non-conforming item or component.
- 29.4 Provided that the bid is substantially compliant and responsive, Bank of Uganda shall correct arithmetic errors on the following basis:
- (a) if there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected, unless in the opinion of Bank of Uganda

Part 1: Section 3 Evaluation Methodology and Criteria

there is an obvious misplacement of the decimal point in the unit price, in which case the total price as quoted shall govern and the unit price shall be corrected;

- (b) if there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and
- (c) if there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to (a) and (b) above.

30.4 Bank of Uganda shall confirm that the following documents and information have been provided in the bid. If any of these documents or information is missing, the offer shall be rejected.

Post-qualification of the Bidder

- 36.1 Bank of Uganda shall determine to its satisfaction whether the Bidder that is selected as having submitted the best evaluated bid is qualified to perform the Contract satisfactorily.
- 36.2 The determination shall be based upon an examination of the documentary evidence of the Bidder's qualifications submitted by the Bidder, pursuant to ITB Clause 5, to clarifications in accordance with ITB Clause 27 and the qualification criteria indicated in Section 3, Evaluation Methodology and Criteria. Factors not included in Section 3 shall not be used in the evaluation of the Bidder's qualifications.

Part 1: Section 3 Evaluation Methodology and Criteria

A Evaluation Methodology

1. Methodology Used

1.1 The evaluation methodology to be used for the evaluation of bids received shall be the Technical Compliance Selection (TCS) methodology.

2. Summary of Methodology

2.1 The Technical Compliance Selection methodology recommends the lowest priced bid, which is eligible, compliant and substantially responsive to the technical and commercial requirements of the Bidding Document, provided that the Bidder is determined to be qualified to perform the contract satisfactorily.

2.2 The evaluation shall be conducted in three sequential stages –

- a. a preliminary examination to determine the eligibility of bidders and the administrative compliance of bids received;
- b. a detailed evaluation to determine the commercial and technical responsiveness of the eligible and compliant bids; and
- c. a financial comparison to compare costs of the eligible, compliant, responsive bids received and determine the best evaluated bid.

2.3 Failure of a bid at any stage of the evaluation shall prevent further consideration at the next stage of evaluation. Substantial responsiveness shall be considered a pass.

B Preliminary Examination Criteria

3. Eligibility Criteria

3.1 The eligibility requirements shall be determined for eligible Bidders in accordance with ITB Clause 4.

3.2 The documentation required to provide evidence of eligibility shall be as provided for under ITB.12.1(f)

4. Administrative Compliance Criteria

- (b) acceptable mobilization period.

6. Technical Criteria

6.1 Technical responsiveness shall be evaluated in accordance with ITB Clause 31.

6.2 The Terms of Reference detail the minimum technical requirements. Responsiveness is determined by comparison of the specification offered to the

specification required in Section 6 and the evaluation is conducted on a pass/fail basis. Substantial responsiveness shall be considered a pass.

\For bidders who have running contracts with Bank of Uganda, performance will be evaluated based on the performance and quality of service. Current providers to BOU that have received unsatisfactory performance rating shall be dropped at this stage.

- 6.3** Bank of Uganda shall conduct a site visit to inspect the vendors' premises and verify the information provided in the Bid and support documents. Responsiveness is determined by comparison of the specification offered to the specification required in Section 6 and the evaluation is conducted on a pass/fail basis. Substantial responsiveness shall be considered a pass.

D Financial Comparison Criteria

7. Costs to be included in Bid Price

- 7.1 The financial comparison shall be conducted in accordance with ITB Clause 34. The costs to be included in the bid price bid are:
- (a) the unit and total rates in the Price Schedule;
 - (b) taxes, duties and levies;

8. Margin of Preference

- 8.1 If the BDS specifies the application of a margin of preference for the purpose of bid comparison, the following procedures will apply:
- 8.2 Bank of Uganda will first review the bids to confirm the appropriateness of the classification, and to identify the bid group classification of each based upon bidders' declarations in the Bid Submission Sheet and supporting evidence.
- 8.3 Bank of Uganda will then add the following margins to the evaluated bid price, as determined in accordance with paragraph 6.1 above, for the purpose of further comparison only:
- (a) seven (7) percent of the bid price to all bids in Group C;
 - (b) four (4) percent of the bid price to all bids in Group B.
- 8.4 The lowest-evaluated bid shall be determined using the adjusted bid prices including added margins.

9. Determination of Best Evaluated Bid or Bids
